30 March 1985

MEMORANDUM FOR: Director, FBIS

THROUGH : Chief, Operations Group

SUBJECT : Monthly Report--Gulf Bureau--March 1985

I. OPERATIONS

A. Editorial/Monitorial

1. Bureau coverage of the Iran-Iraq war expanded significantly during March with the escalation of fighting and attacks on each others' cities. To ensure timely reporting of war events, bureau Persian monitors are now reporting 1/2 hour earlier for work in the morning to cover the Tehran Persian 0330 GMT cast. Tehran Domestic Service in Persian has been put on open speaker watch for the time being, along with Bushehr, Shiraz, and Ahvaz regional stations. Coverage of the regionals has enabled the bureau to file within minutes announcements of air raid alerts and several unique accounts of the fighting and air attacks on cities. Also, at BBC's request, bureau has assumed primary coverage of Tehran Domestic Service in Persian from 1215-1315 GMT daily, during which time BBC loses Persian coverage on MW owing to a station switch to Bengali service.

American Embassy Manama consumers have requested that editors keep them abreast of developments in the war.

2. On 1 March, Bangkok Bureau requested that Gulf attempt to backstop Dhaka radio for an Ershad speech (to be re-read in English). The station was unheard at Gulf on all known frequencies.

On 2 March, Bangkok again requested Gulf's assistance in backstopping Karachi Domestic Service in Urdu for a speech by Ziaul Haq. Bureau Urdu monitors recorded the speech with fair/good reception, but processing assistance was not required by Bangkok.

3. Several ad hoc processing requests were received during March. On 6 March AG requested priority handling of an AL-WATAN interview with the DFLP's Nayif Hawatimah. The item was processed in two takes and cleared within 4 hours of receipt of message.

On 10 March Jordan Bureau requested priority processing, for local embassy consumers, of a QNA report on remarks by Fatah Central Committee member Khalid al-Hasan on "U.S. Mideast policy and the Arab Leaders". While no QNA report could be found, reports on the remarks from Kuwaiti and UAE papers were filed.

4. In reaction to the death of Chernenko, bureau Central Asian monitors were kept busy monitoring Soviet regional radio behavior. Daily radio behavior FYI's were filed from 11 March and discontinued on 14 March at headquarters request.

5. In response to a liaison request, the bureau prepared and pouched eight tapes containing recordings of Jedda International Service in Turkmen.

6. On 26 March the bureau was requested by BBC/LD to assume full coverage of the Saudi Press Agency because of a line problem in London. Gulf's printout of SPA is excellent and we were thus able to assume coverage with no undue strain on Arabic staffing. BBC resumed coverage midday on 27 March. Bureau was again asked to assume coverage for approximately 1 hour on 29 March owing to BBC's loss of line.

7. Persian monitor/trainee [] completed the first stage of her training and is now processing items without countersignature of a senior monitor.

B. Communications

1. From 3-12 March, embassy TCU requested bureau's cooperation in closing down primary send circuit for several hours daily owing to work being done at TCU. The receive side was not affected. The outages occurred during the bureau's non-peak workload hours and thus operations were not seriously hampered. The bureau's backup Telex system was used to file any immediate items during the outage periods.

2. Teletypist [] returned to duty on 10 March following a lengthy illness. Her return was most welcome and helped to alleviate a serious staffing shortage over the past few months. With her return, bureau Administrative Assistant [] who had been assisting with teletype duties, has returned to her full-time administrative duties.

II. ADMINISTRATION

A. Personnel

1. Arabic monitor [] resigned effective 29 March 1985.

2. The bureau chief departed 31 March for annual leave and the bureau chiefs' conference.
